*1*MarketView

– Market Data Distribution System

Installation Guide

INTRODUCTION

Dear Customer,

Thank you for choosing 1Marketview. Congratulations!

You have taken an important step in the right direction towards successful Investing. 1MARKETVIEW is a powerful and feature rich Real-Time Market Data Distribution system. It delivers rich content, extensive features and the flexibility that an active Investor would need.

You are at an Advantage using 1MARKETVIEW.

GETTING STARTED

To use the 1MARKETVIEW service, you would need 1MARKETVIEW Software, Microsoft .Net framework, an Internet connection on your PC or Laptop and a valid 1MARKETVIEW User Name and password.

Please download 1MARKETVIEW Installation file from our web-site mentioned in the below URL.

https://www.truedata.in/downloads/1marketviewsetup.msi

Users who do not have http://www.microsoft.com/downloads/details.aspx?FamilyID=0856EACB-4362-4B0D-8EDD-
 .Net framework on their PC's can either download the x 86 version
from Microsoft website: AAB15C5E04F5&displaylang=en

1MARKETVIEW recommends minimum 512 MB Ram, 1024 x 768 resolution and Windows XP (SP3) or above O.S. on the PC. The recommended Internet connection is DSL because of the high volume of data sent, however it may work on a good stable dial-up connection.

Note: Vista and windows 7 users should give read/write permission to the Installation folder – "1MARKETVIEW".

After downloading, double click on the Installation file (filename: 1marketviewsetup.msi) to install the 1MARKETVIEW application.
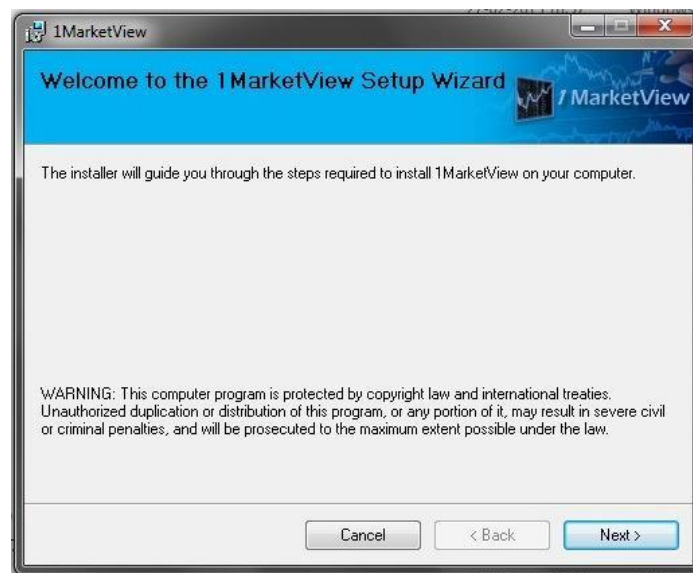

Step-1:

In the below window, click on "Run" to run the setup file.

Step-2:

Click on "Next" to start the installation process, in the below window.
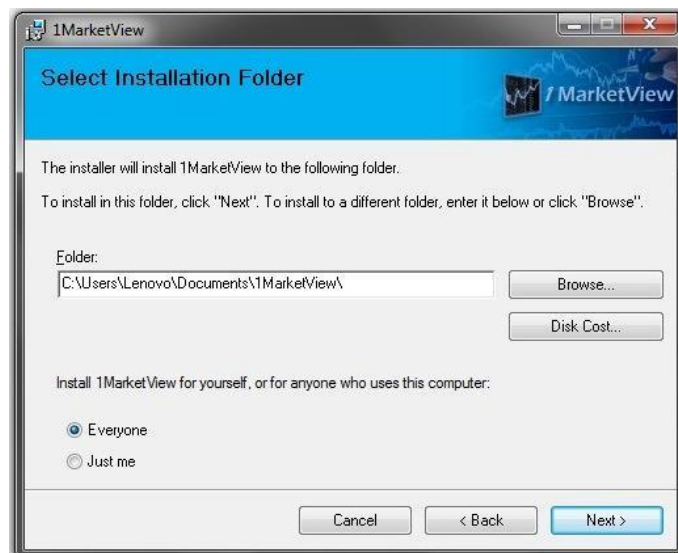

Step-3:

Select "I Agree" to accept the license agreement and click on "Next" to proceed with the installation.

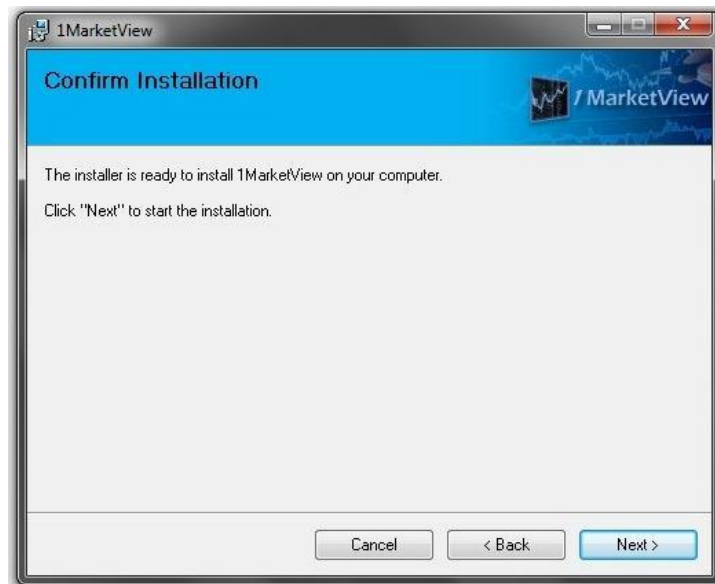

Step-4:

Select the folder where you want to install the "1MARKETVIEW" application.
Select either "Everyone" or "Just Me" as the case may be for providing access to the 1MARKETVIEW application in your system.
